CERTIFIED MAIL

Dear Dr. Perwaiz:

This is official notification by the State Board of Medicine of the decision of the Informal Conference Committee which met with you on July 27, 1984, in Norfolk, Virginia.

The committee recommended that you be Censored for lack of documentation of patient records and it is stressed that you keep more accurate records in the future.

The committee also recommended that you be Censored for lack of judgment in regards to a sexual relationship with a patient and that you use more discretion in the future.

These two Censors will become part of your permanent record for future reference.

Sincerely,

George J. Carroll, M.D.
Secretary-Treasurer
Virginia State Board of Medicine
